

## Upgrading to a Subscription from Trial

If you have been trialling 3DUserNet VISION then you can now upgrade to a paid account from the splashscreen after logging into your account. You will then be taken to the subscription screen where you can choose what currency, modules, extras and payment method you need. The steps to follow are described below:

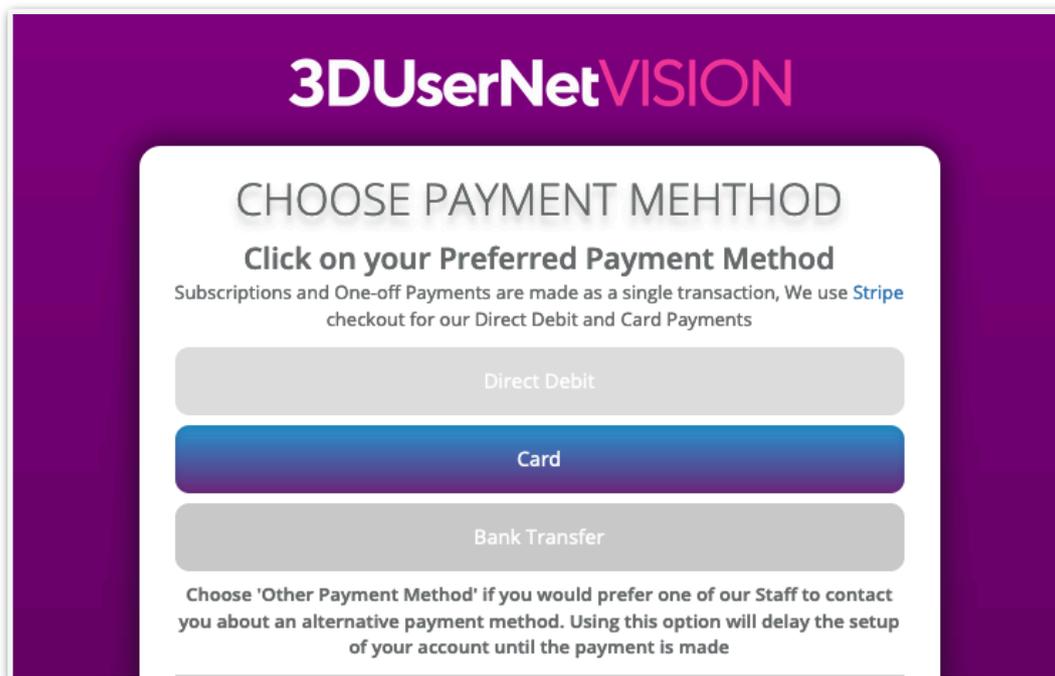

- 1) Log into your trial account on <https://vision.3dusernet.com>
- 2) When the splash screen loads click on the **'Buy Account'** button.

- 3) The Subscription page will then load which will allow you to choose your **Currency** and select the **Modules** and **Extras** that you need.

- 4) After stepping through the pages to select your modules and extras you will then be able to select a preferred **Payment Method**.

- 5) Enter your payment details and follow the on-screen prompts to complete your purchase. If you have paid by **Card** or **Direct Debit** then your account should activate almost immediately. For **Bank Transfers** one of our staff will contact you to help complete the purchase.

If you have any additional requirements for your invoicing, such as a Purchase Order number then please contact us at [accounts@3dusernet.com](mailto:accounts@3dusernet.com) and we can help you.
